

MazeGenerator

```
classDiagram
    class AldousBroderMazeGenerator
    class MazeGenerator
    AldousBroderMazeGenerator --|> MazeGenerator
```

The diagram illustrates a class hierarchy. At the bottom is a gray box labeled 'AldousBroderMazeGenerator'. A blue arrow points upwards from this box to a white box at the top labeled 'MazeGenerator'. This indicates that 'AldousBroderMazeGenerator' inherits from 'MazeGenerator'.
